

You show a different face during your life time. It changes smoothly a little, year by year. Some of us, more than others. You can also actively change your image by hair design, outfits etc.

Here, wife Laila;

1960

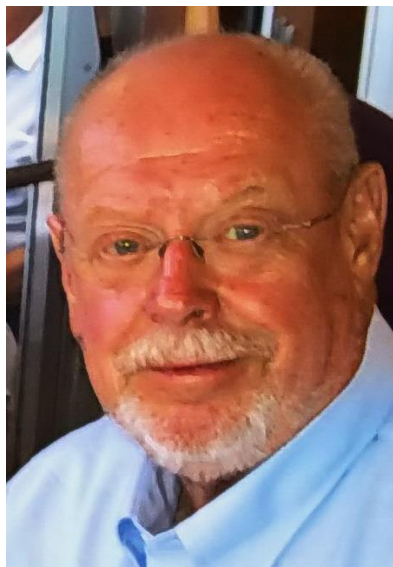

2017

There are some images over the years since our marriage back in 1960. To see them all, click [here](#) - in random order.

Even Leif has had his changes but without so many intermediate steps

1960

2017

To see his transition, click [here](#)

The third family member does not need any in between photos;

2004

2017
